

# Our New Safety Practices

**Six foot “social distancing” will be observed.**

**Everyone MUST wear a mask.**

**Only one member per household should shop.**

**Shoppers cannot bring their own bags. Vendors will provide bags or you will get a new Market bag.**

**Shoppers can point to an item to buy, but should not touch it.**

**Until Social Distancing guidelines have been lifted, no live music or special events will be offered.**

**Only food, personal hygiene and pet food/treat vendors are allowed until guidelines are lifted.**

**Hand-washing areas including soap are available.**

**No food sampling or food demos will take place.**

**Food is not to be consumed at the Farmers Market.**

**No tables or seating will be available.**

**Dogs and other pets are not allowed.**

***Thank You for Your Co-operation!***
